

# How to View Conference Recordings

1. Enter the **Pathable Platform** using the login credentials that were sent via Email.
2. Select **Schedule > Agenda** from the Menu bar.

3. Choose the Session that you wish to view by clicking on the Session card.

4. Click **Play** to view the recording

5. Additionally, scroll through the **Chat**, view the **Polls** results, and download any **Files** or handouts that the Speaker shared.

6. Click **Back to Agenda** to return to the Agenda and choose another session.
